

THE
HIDEOUT
HOUSE
COMPANY
LIMITED.

Our unique "Earth Pod" outdoor classroom has been designed to offer a cost effective solution to adding space to your school and provide a great environment for childrens learning.

"we love our new Earth Pod classroom, children and teachers want to use it all the time. It has transformed our outdoor space so much so we have ordered our 3rd outdoor classroom to be used as a sensory room, outdoor space and for intervention groups"
- Dwayne Toon Headteacher
Rolleston Primary School, Leicester

Earth Pod

**Exterior**

The style and design of the outdoor classroom creates a fantasy style atmosphere that teachers and children love.

Equip with bench seats, tables and chairs or just bean bags to create your outdoor learning space.

Each Earth Pod includes:

- Large double doors creating a fantasy environment allowing you to bring the outside in.
- Large round double glazed window allowing light to flood in.
- Easy clean wood effect flooring.
- 5 lever security lock.

Additional Options

- Insulation to allow all year round use
- Electrical pack to include two double sockets, interior and exterior lights and an interior panel heater.

Sizing-

External: L4 x W2.4 x H2.2m

Internal: L3.4 x W2.2 x H2m

Internal Floor space: 7.5 square metres

Interior

From Just **£5950** +VAT
